Enjoy an ABI Life.

THERE'S NO PLACE LIKE A HOME AWAY FROM HOME

Make the most of a Great British holiday. Unwind beside the seaside. Amble from hill to beer garden. Enjoy bike rides, barbecues and chocolate-box villages. With all this and more just beyond an ABI's door, we'll help make your holiday special, no matter what.

From the second you arrive, our holiday homes make you feel right at home. Come rain or shine, there's plenty of space and time for laughter, adventure, to unwind and just be together.

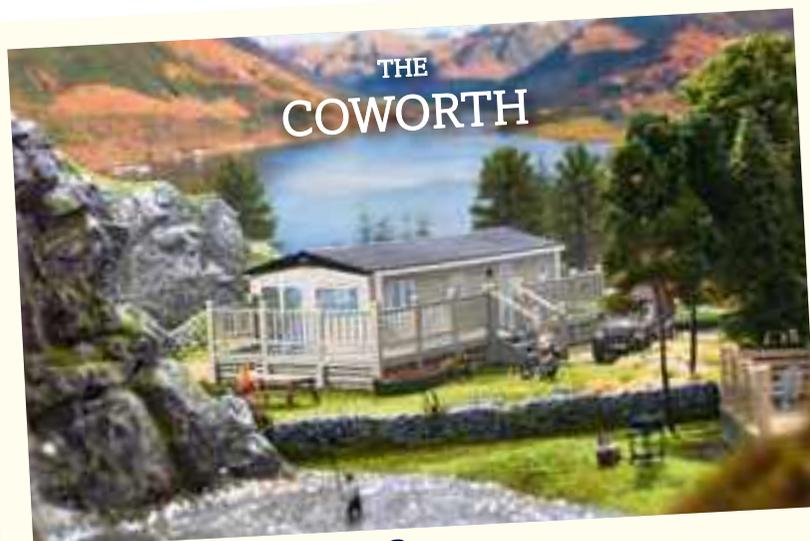

We believe that the little things matter the most and that something small can make a holiday. That's why we meticulously craft every millimetre of our holiday homes, so that you can enjoy every bit of the ABI life.

WELCOME TO OUR FAMILY

Everyone enjoys the ABI life their own way. And what we love most is hearing about whatever it is you enjoy whenever you're away in your holiday home.

Whether you're sending us sunset pics from your decking or telling the world about your favourite ABI moment, we're always proud to help you make your holidays magic. (It also means we get to feel like we're there with you.)

If there's a bit of the ABI life you'd like to share, we'd love to see it. Send it to us @abiholidayhomes and, who knows, perhaps the whole ABI family will get to see it.

"Our first stay ever in our new Ambleside. It's everything and more than we hoped it would be"

Carol

"Back to our happy place and our beautiful ABI Oakley!"

Mark

"Back in our perfect home away from home"

Tracey

DEDICATION TO CREATING HAPPY STAYS

We put an awful lot into every ABI. No end of thoughtful ideas. Hours of care and craft. Even more dedication when it comes to testing. We give every step our all so that we can build you a heavenly holiday home that will bring smile after smile.

From first sketches to the final checks, every member of our talented team aims to create happiness.

We combine high quality materials with true expertise, building inviting places where many a happy memory will be made.

Inspiration and design

Our in-house Designers take the latest trends, technical innovations and ABI owners' feedback to create concepts and 3D virtual models for each holiday home's colour scheme, layout and styling.

Prototype build

Our experienced Engineers faithfully recreate each virtual model, from its layout to the fixtures, in a full-sized prototype so that we can check and perfect every detail before it goes into production.

Technical detailing

After the prototype has been tried, tested and finalised, our expert Draughtsmen translate each detail into precise drawings, ensuring your ABI is built to our exacting standards.

NO MATTER WHICH ABI YOU CHOOSE, ALL OF THESE FEATURES ARE INCLUDED AS STANDARD:

- ✓ 100mm insulation in roof
- ✓ Upgraded external walls with 50mm insulation (except The Coworth)
- ✓ Domestic gutters and downpipes
- ✓ Domestic style internal doors
- ✓ Domestic mattresses, 3 times more filling, more durable covering and now with Crib 5 protection
- ✓ Domestic twin cavity oven with electric ignition
- ✓ Electric fire
- ✓ Thermostatic shower mixer valve
- ✓ Underlay in carpeted area (except The Coworth bedrooms)
- ✓ Low energy bulbs throughout and LED bulbs in all spotlights
- ✓ Lined curtains across all holiday homes (excluding Coworth front end but available as part of Deluxe pack)
- ✓ Pull out bed in lounge
- ✓ Steel roof
- ✓ 10 year smoke detector
- ✓ Carbon monoxide detector x2
- ✓ Fire extinguisher

You can make your ABI even more special by adding further options, see pages 80 & 81.

Production build

Our highly skilled, passionate Craftsmen are the ones who bring these beautiful drawings to life. They make every holiday home by hand, in our workshop in East Yorkshire.

Quality inspection

Before you can start enjoying your holiday home, our Quality Inspectors will put it through some rigorous tests. Only if it meets our exceptional standards does it get the ABI seal of approval.

Carbon
Neutral
Organisation

Little things make a big difference

Mattresses that are as comfy as your own at home. USB sockets for easy charging. Extra insulation. Little things like this matter. They can make all the difference to a stay. But thoughtfully designing every detail of your ABI isn't the only thing we do to make a difference.

For every lovingly crafted ABI we make, we offset the carbon emissions we generate in its production.

On top of that, for every holiday home built we also commit to supporting hard-working charities here in the UK. Over the course of each year, these two things add up to a lot of good.

Whether it's the care we put into your holiday home or looking after the world around us, we want every little thing we do to make a difference.

**LITTLE THINGS
BIG IMPACT**

GOOD FOR THE PLANET

For every ABI we build, we plant a tree in the UK, as well as supporting projects throughout the world to help reduce the impact of carbon emissions.

The trees we plant here in the UK, in conjunction with schools up and down the country, offset the carbon created by manufacturing each holiday home over the tree's lifetime. The other projects we support around the world immediately offset any carbon created when we build your ABI.

By offsetting each new ABI's carbon, we hope you'll enjoy your holiday home even more, knowing it has done its bit for the planet.

GOOD FOR THE COMMUNITY

We also donate £10 for every ABI we build. With us making thousands of holiday homes every year, that soon adds up.

What's more, all this money goes to the causes closest to our team's hearts. Every year, we ask them to nominate the charities that deserve our donation. Whatever good causes we choose, we hope our donation is just another little thing that makes every ABI stay a bit more special.

EXPLORE A WORLD OF GREAT BRITISH ADVENTURES

The joy of Great British holidaying is that there's so much to see and do, so close to home.

Riverside rambles. Bustling historic market towns. Spots for picnicking, cycling and simply taking it easy. It's this rich and eclectic mix of adventures that gives this small island its unique beauty. But, did you know holidaying at home holds yet more unexpected delights?

Get ready for the Great British holiday to surprise you with its hidden gems.

Pristine Cornish beaches perfect for basking on. Towering Scottish mountain ranges that'll invigorate body, mind and soul. Welsh waterfalls tucked in lush gorges that are enticing enough to take a swim in. Pretty pastel seaside spots worthy of postcards.

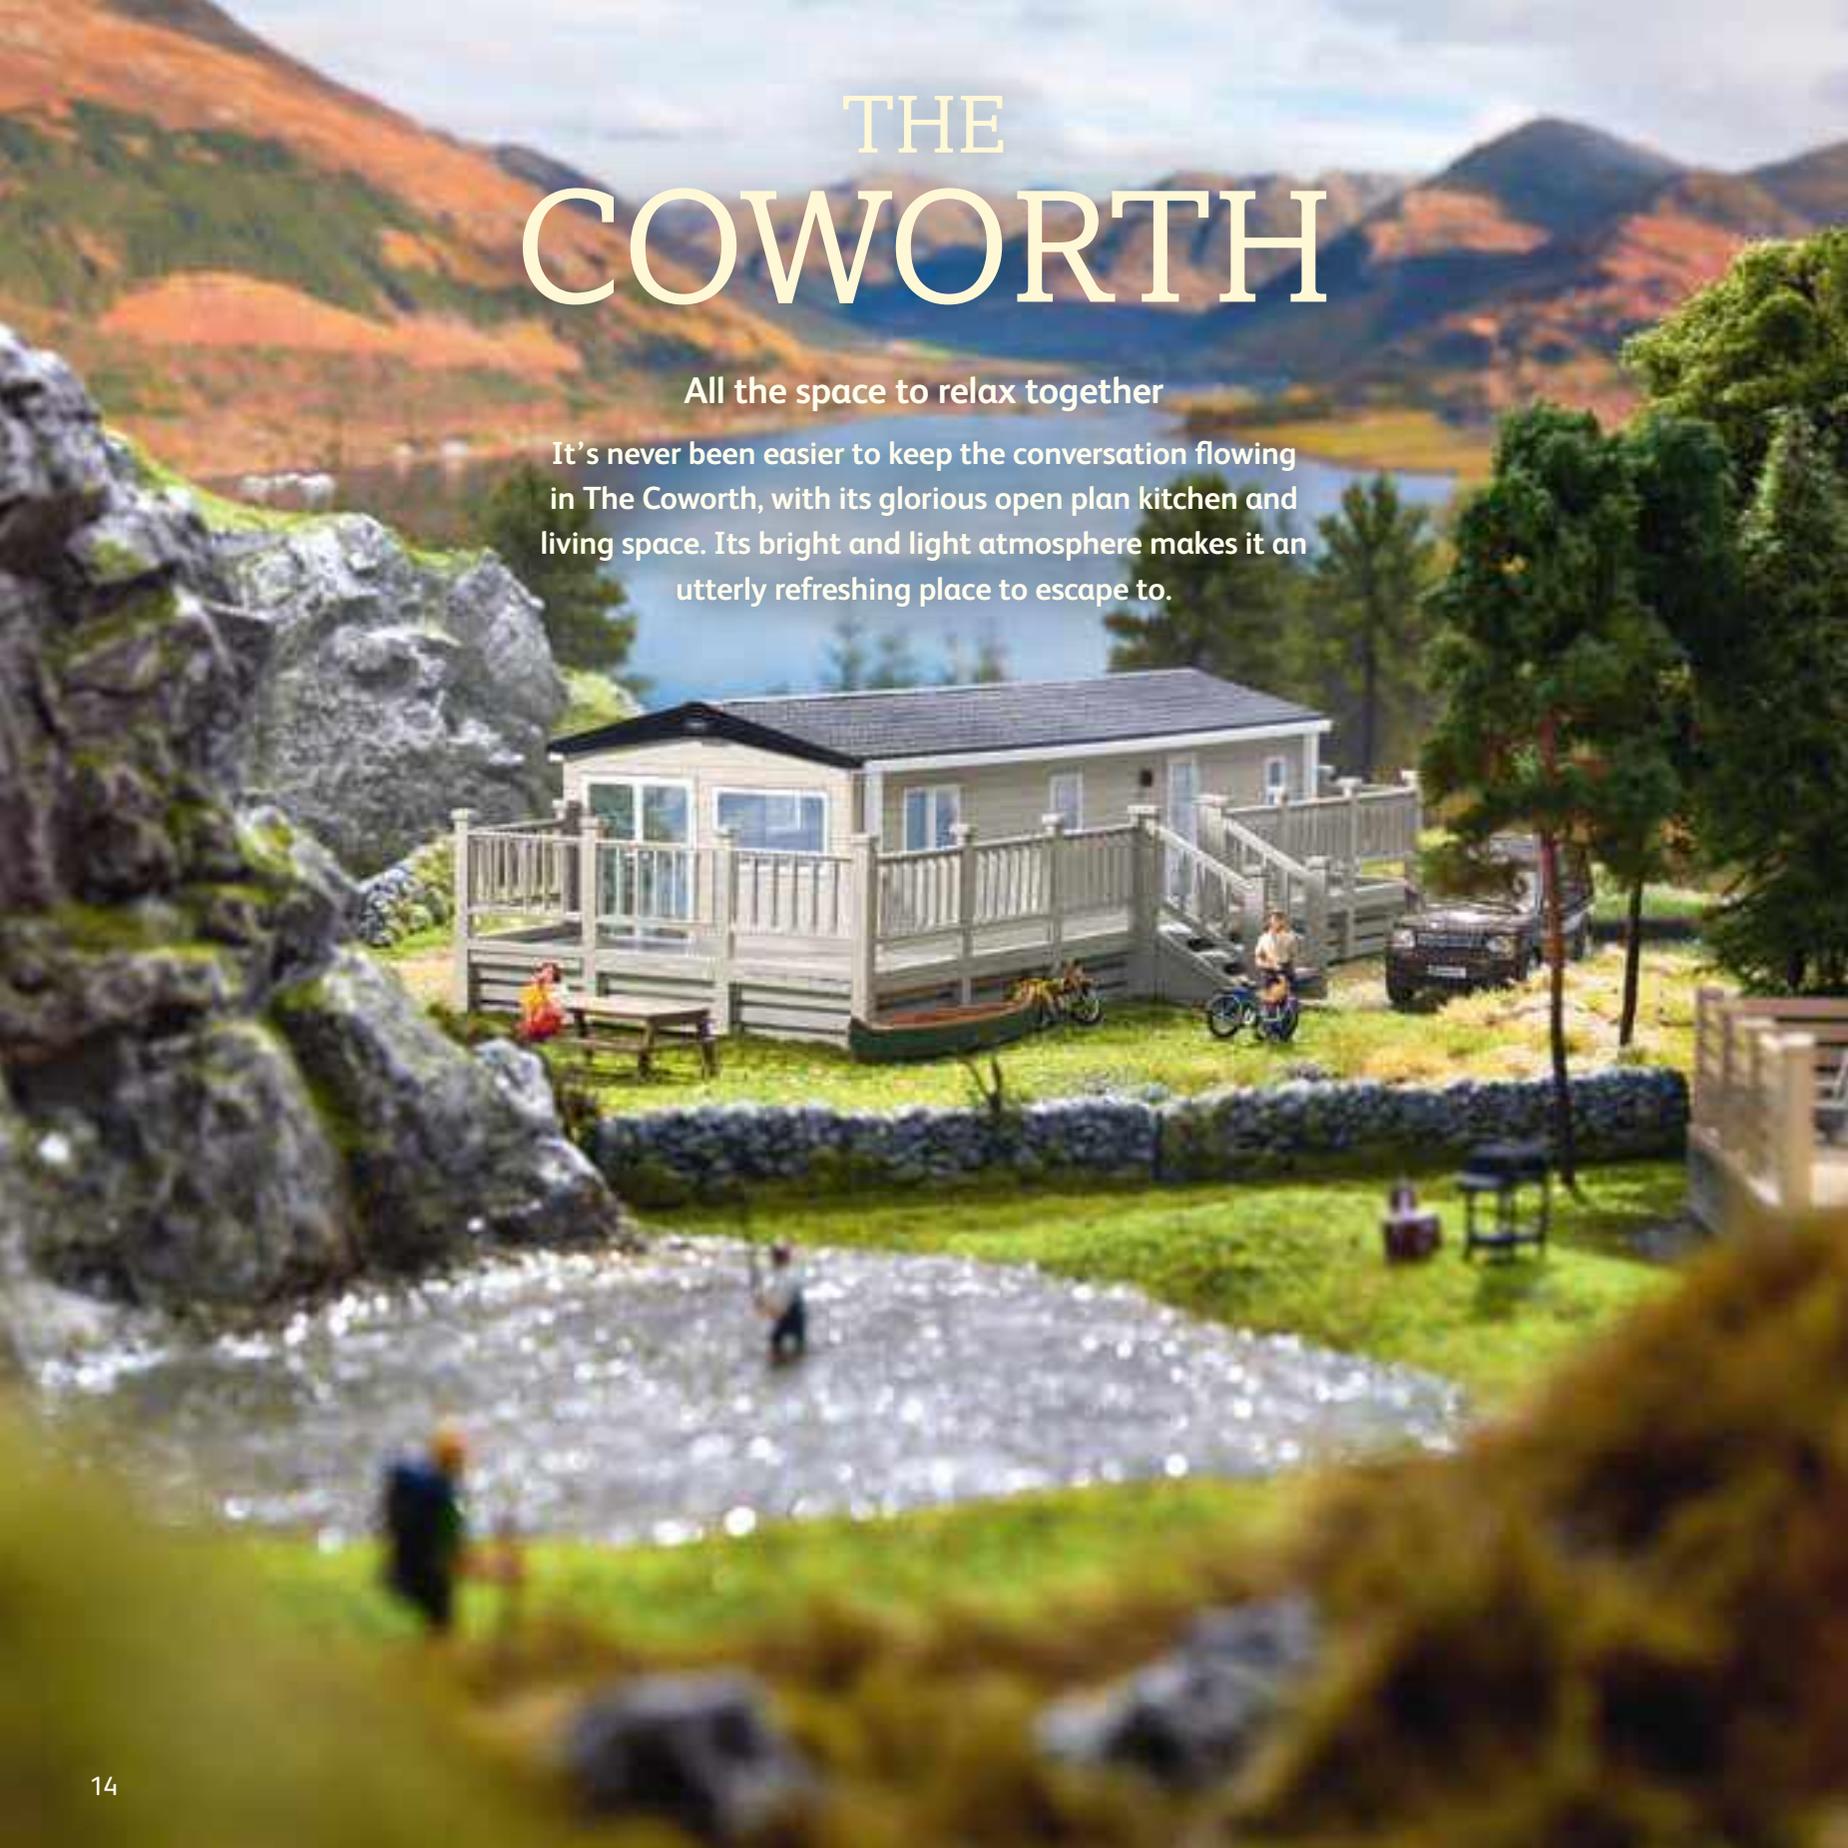

Staying home for your holidays with ABI will take you on many a rich and rewarding adventure.

THE COWORTH

All the space to relax together

It's never been easier to keep the conversation flowing in The Coworth, with its glorious open plan kitchen and living space. Its bright and light atmosphere makes it an utterly refreshing place to escape to.

- C** Overall width including gutters & downpipes (+/-10mm)
- D** Width at floor level (+/-10mm)
- E** Height to apex of roof (+/-50mm)

PEACE OF MIND

The level of care, craftsmanship and attention to detail that goes into each holiday home we build is something we pride ourselves upon.

That's why we insist on providing warranties that offer unrivalled protection because, in the unlikely event that something does go wrong, both our reputation for quality and our commitment to you are our priority.

It's this combination of uncompromising quality, stringent checks and customer-focused care that has seen us become the UK's best-loved holiday home manufacturer, giving you complete peace of mind from start to finish.

From the moment you take ownership of your ABI, everything inside is covered by a 12-month parts and labour warranty as standard. But it doesn't end there...

3 YEAR WARRANTY*

After the first year, you'll enjoy a further 24 months' cover on:

- Furniture manufactured and fitted by us
- Shower cubicle, topper and door
- Taps, sanitaryware and baths
- Radiators, internal doors and door handles
- Gutters, downpipes and cladding
- Sockets and switches
- Kitchen sink
- Dining table and chairs

5 YEAR WARRANTY*

After the first year, you'll enjoy an extra 48 months' structural warranty on:

- Chassis, roof, walls, ceiling, floors and external windows and doors

10 YEAR WARRANTY*

In addition to all this, fully galvanised heavy-duty chassis systems are covered by a full 10-year warranty from the date of purchase.

LEADING THE WAY WITH THERMAL EFFICIENCY

At ABI we pride ourselves on creating holiday homes that have a high thermal performance. For 2022, our technical experts have worked hard to ensure our holiday homes continue to be thermally efficient.

We are the first holiday home manufacturer in the UK to become an accredited Living Wage Employer.

We also support a variety of charities and local causes to help the community where we're based.

OPTIONAL WINTER PACKS

Winter packs keep your holiday home cosy during colder spells.

OPTIONAL
WINTER
PACKS

To ensure your holiday home stays cosy and warm in the winter months, we offer the choice of two winter packs.

Winter Premium:

- 'Low E' PVCu Thermaglass double glazing
- Domestic central heating
- Exterior light
- Extra insulation

Winter Electric:

- 'Low E' PVCu Thermaglass double glazing
- 300W heaters in all bedrooms
- S-shaped towel rail in bathroom
- Exterior light
- Extra insulation

OPTIONAL RESIDENTIAL SPECIFICATION BS3632

OPTIONAL
Residential
specification
BS3632

For 2022 certain models are available to be built to BS3632 residential specification. Where a BS3632 build is chosen, the following is included within the option as standard:

- Fully galvanised heavy-duty chassis
- Residential levels of ventilation
- 'Low E' high performance glass fitted to all doors and windows
- Full condensing boiler gas central heating
- Residential standard levels of insulation fitted to walls to meet required 'u' values
- Residential standard levels of insulation fitted to floors to meet required 'u' values
- Residential standard levels of insulation fitted to the roof to meet required 'u' values
- Sound insulation to the exterior to meet required sound reduction values

The content of the brochure is as accurate as possible from information available at the time of going to print. ABI (UK) Ltd. reserves the right to alter specifications, prices and model ranges as materials and conditions demand and can accept no responsibility for discrepancies between this information and subsequent models. Models do not reflect any individual holiday homes. All ABI holiday homes are built to comply with the relevant codes of practice required by the National Caravan Council Certification Scheme (EN1647) and therefore are designed for holiday use and not full time residential occupancy. Holiday homes built to BS3632 standard are for residential use. ABI (UK) Ltd. advise you to contact your nearest dealership to check features, options, specifications and availability prior to ordering.

*Terms, conditions and exclusions apply. Please refer to the ABI Warranty booklet supplied with your ABI holiday home.

ADD THAT FINISHING TOUCH...

...a beautiful, practical, low maintenance deck

Make the most of the space outside your ABI holiday home with AB Sundecks. Choose the sundeck that means you won't have to spend a second on tedious, expensive maintenance.

A beautiful deck really enhances your ABI holiday home. It provides a safe playground for children, a secure place for pets or simply somewhere to sit and relax with a drink and a bite to eat.

Traditional wooden decking leaves owners with the chores of cleaning, staining and painting, year after year, not to mention the problems of rotting, splitting and warping. But AB Sundecks use strong, wood-free boarding on sturdy galvanised steel sub-frames for a long, weather-proof and low maintenance life.

Every deck is perfectly co-ordinated to the design you choose and matching accessories provide the ideal finishing touches.

These long-life, easy-care decks make a delightful addition to any ABI holiday home. It's a space that you'll enjoy for years and years to come.

Our many special features include:

- Holiday home skirting
- Built in lighting
- Hot tub decking
- Glass balustrading
- Access ramps
- Replica aged weatherboards
